

Let's work together to broaden our impact.

Corporate Social Responsibility

Simmitri will aid your business in meeting its corporate social responsibility goals. Our program makes it easy to track your business and employees' impact.

Humanitarian Acknowledgement

Upon commencement of project, Simmitri will donate to the charity of your choice. We will publicly acknowledge your contribution as able via news press release, website and social media.

Corporate Solar Program

Employee corporate discounts available on Simmitri solar installs. In addition, Simmitri will donate to a charity of choice every time someone goes solar that is a referral from your business of your employees.

Community Engagement

With every choice we make, we have the opportunity to change lives. Simmitri will provide opportunities for your employees to give back to the community. This will broaden your company's impact while fostering more committed employees.

- ✓ Employees can download Simmitri's app to track the success of the program and participate.
- ✓ Employees will receive \$1,000 off their solar system & Simmitri will donate \$250 to a charity.
- ✓ Carbon emission reductions will get credited to your business.

Restoring the balance of Power
